

EQUI-PRENE Horse Products

EQUI-PRENE horse products are designed and engineered for exercise, training and conditioning. Made of high quality neoprene rubber and strong nylon knit facing fabric, EQUI-PRENE horse products stretch in all directions for complete freedom of movement without binding and always stay in place because they are designed to conform and fit correctly.

Double stitched and bonded for extra strength with nylon reinforcement and extra padding in critical areas, EQUI-PRENE horse products assure maximum protection to hooves, shins and legs and are effective in sweating a horse's neck or jowl to fine show condition. Self-gripping sure-lock fasteners enable quick and secure closure and adjustment in all areas.

EQUI-PRENE is the finest quality neoprene equestrian product available to the Australia show equestrian. EQUI-PRENE is completely flexible and resilient to impact or shock. Composed of thick non-porous closed cell rubber with a nylon back.

EQUI-PRENE Sweat Wraps and Hoods

EQUI-PRENE sweat wraps and hoods are the most effective sweating method used today to put any horse in the best trim and natural show condition. EQUI-PRENE wraps induce sweat quickly without binding or cording the horse.

They offer complete flexibility and freedom of movement and will not absorb sweat or carry bacteria after washing. Professionally designed to fit the natural shape of the horse's head, neck or jawl. EQUI-PRENE neck wraps are adjustable and fit yearlings to horses.

EQUI-PRENE horse products are fitted with self-gripping sure-lock closures for absolute security. Professional quality workmanship throughout. Every EQUI-PRENE sweat hood is custom tailored and contour cut to fit naturally to the horse's neck or jawl.
